

Sample Request Letter:

Dear Parents,

For our Human Dignity Curriculum project, we are asking that all families provide us with one letter written to your student. You can email this letter to me [email] or send it with your student in a sealed envelope.

Your letter should answer the following questions:

Why do you love this student?

Why is this student valuable to you?

How is this student special?

This letter will help start our project! The deadline for providing this letter is [date]. Please take the time to provide a letter and let me know of any questions.

[Teacher]
