

**POWERS OF BEINGS TABLE**

Fill in the chart and mark an “x” in each category for every power that all living beings share, the powers that only animals and humans share, and the powers that only humans have.

| <b>POWERS</b>            | <b>PLANTS</b> | <b>ANIMALS</b> | <b>HUMANS</b> |
|--------------------------|---------------|----------------|---------------|
| Eat                      |               |                |               |
| Grow                     |               |                |               |
| Reproduce                |               |                |               |
| Move from place to place |               |                |               |
| Use the senses           |               |                |               |
| Feel emotions            |               |                |               |
| Think                    |               |                |               |
| Choose                   |               |                |               |
